

CAMTASIA

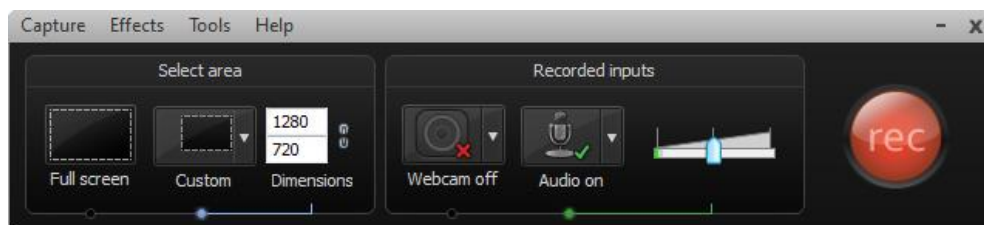

Creating Camtasia Videos – From Start to Finish

For more information about Camtasia, go to the TechSmith website at: <http://www.techsmith.com/>. There are some excellent tutorials for Camtasia at: <http://www.techsmith.com/tutorial-camtasia.html>

If you need help with ideas on how to use Camtasia in your course or need more help using Camtasia, submit a Help Ticket by going to the Instructional Design Team website at www.cfa.coastline.edu, under **Services**, click **Help Ticket**. You will be contacted by a member of the Instructional Design Team: Sylvia Amito'elau, Mark Worden, or Meg Yanalunas.

Camtasia Recorder Toolbar

Recommended setting for recording area: **Select area - Custom 1280x720**
