

Seaport 3

Student View

1. After logging in you will notice a channel with the name “Viewing as:”, and the Faculty button will be highlighted in yellow (Figure 1).

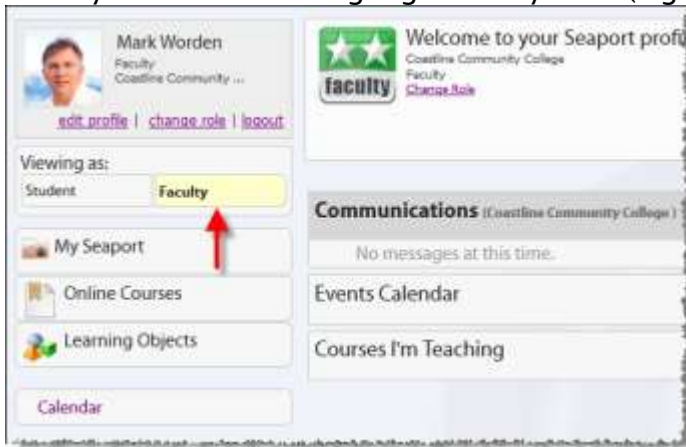

Figure 1

2. When you click **Student** the Student button will become highlighted in yellow (Figure 2). You will also notice that “Courses I’m Teaching” changes to “Viewing As Student – All Semesters”, and the Learning Objects button vanishes.

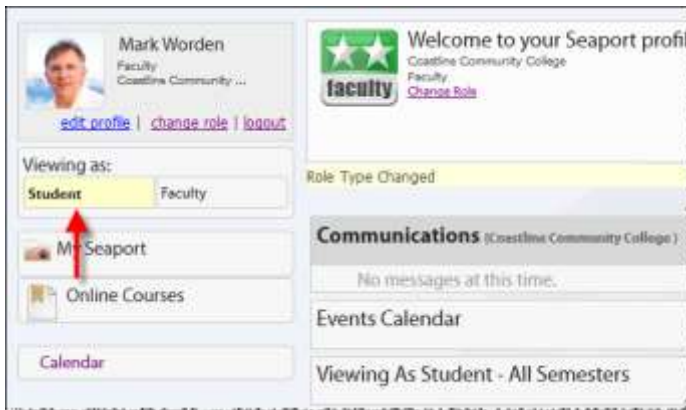

Figure 2

3. When you visit your courses you will be viewing everything as a student.
